## - ABOUT -

Over forty years ago, the Guida family of Weirton, WV believed they could open a family-style restaurant during an economic downturn. With long hours and hard work, the Guida family opened Dee Jay's BBQ Ribs and Grille with the goal of serving well-made and fairly priced food in a welcoming atmosphere. Dee Jay's quickly built a loyal clientele and became known for their baby back ribs and excellent service.

Now, we are proud and excited to bring our tradition to Washington and share with you our **famous ribs** and other house-made specialties and drinks.

When you visit you will always be greeted with **friendly** and **welcoming** service - whether at the bar, on our patio, dining in or ordering takeout.

We are proud to be a part of this community and are committed to providing you with such excellent food and hospitality that you'll soon be back for more!
